Dear Mr. Sesko:

A complaint has been received in this office that various objects adjacent to your property at 1700 Block of Pennsylvania are encroaching the public right-of-way.

By City Ordinance No. 2547 and the Laws of the State of Washington, you are hereby ordered to remove said objects from the right-of-way by August 6, 1994.

If requested by you, someone from the Engineering Division will meet you at your property to advise you of the extent of the removal.

If you have questions, please contact John Wallace of the Engineering Division at 478-5343.

Sincerely,

DAN EISSES, P.E.
Senior Engineer
